

**REMARKS**

After entering this amendment, claims 36-79 will be pending in this application.

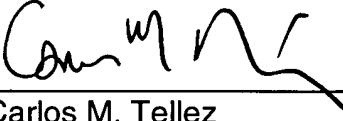

Applicants amended claim 37 by placing it in independent form. Support for this amendment can be found, for example, in original claim 1. Applicants have added new claims 70-79, which are verbatim copies of claims 1-10 from U.S. Patent No. 6,916,828 (the '828 patent), issued on July 12, 2005, to Farrerons Gallemi *et al.* Applicants copied claims from the '828 patent to preserve Applicants right under 35 U.S.C. § 135(b).

If there is any fee due in connection with the filing of this Supplemental Preliminary Amendment, please charge the fee to our Deposit Account No. 06-0916.

Respectfully submitted,

FINNEGAN, HENDERSON, FARABOW,  
GARRETT & DUNNER, L.L.P.
